

# RESOURCES FOR PARENT EDUCATION

Provided by:  
**Parents Requesting Open Vaccine Education (PROVE)**  
[www.vaccineinfo.net](http://www.vaccineinfo.net)

**The National Vaccine Information Center**  
[www.NVIC.org](http://www.NVIC.org)

**Centers for Disease Control and Prevention**  
[www.cdc.gov](http://www.cdc.gov)

Read information on diseases listed in “The Pink Book”. You can also find the vaccine excipient and media summary.

**FDA Center for Biologics Evaluation and Research**

<http://www.fda.gov/BiologicsBloodVaccines/Vaccines/ApprovedProducts/ucm093833.htm>

Package inserts are here, as well as a great deal of information from the approval process. Read the drug company submissions to the FDA when available.

**H1N1 Vaccine Inserts**

<http://www.fda.gov/BiologicsBloodVaccines/Vaccines/ApprovedProducts/ucm181950.htm>

**Influenza rates among pregnant women: vaccinated versus unvaccinated**

<http://www.generationrescue.org/binstock/090927-vacc-unvacc-pregnant-women-infants.htm>

**Influenza vaccination: policy versus evidence**

<http://www.bmj.com/cgi/content/full/333/7574/912>

**Cochrane Collaboration Influenza Resources:**

The Cochrane Collaboration is an international not-for-profit and independent organization, dedicated to making up-to-date, accurate information about the effects of healthcare readily available worldwide. It produces and disseminates systematic reviews of healthcare interventions and promotes the search for evidence in the form of clinical trials and other studies of interventions.
